Introduction

Overview

Destination B2: Grammar and Vocabulary has been designed for students preparing to take any examination at B2 (Vantage) level on the Council of Europe's Common European Framework scale.

The book provides presentation and practice of all the key grammar, vocabulary and lexis-grammatical areas required for all main B2 level exams, eg Cambridge FCE.

There are 28 units in the book, with alternating grammar and vocabulary units.

Grammar

Each grammar unit begins with a clear two-page presentation of grammar rules and examples in table form. Important points are highlighted in Watch out! boxes and US/UK differences are explained.

The grammar practice exercises follow the order of the grammar presentation on a point-by-point basis, and are graded in difficulty through the unit. Exercise types found in all main B2 level exams are included.

In each grammar unit, the vocabulary focus of the following unit is used as a context for presentation and text based exercises.

Vocabulary

The vocabulary units are topic based, covering all the topics appropriate to exams at B2 level. Each vocabulary unit begins with a clear presentation table comprising five sections: topic vocabulary in contrast, phrasal verbs, phrases and collocations, word patterns and word formation.

The vocabulary exercises are organised according to these sections, and provide systematic practice of the vocabulary presented. Exercise types found in all major B2 examinations are included.

The grammar focus of the preceding unit is consolidated within these exercises.

Revision and consolidation

Strong emphasis is placed on revision and consolidation. The book includes:

- fourteen two-page reviews (after every two units)
- two four-page progress tests (after units 14 and 28)

Additional material

Additional reference material is provided at the back of the book. This includes:

- a list of all key irregular verbs
- a unit-by-unit glossary of all contrastive topic vocabulary with definitions and example sentences from the Macmillan Essential Dictionary
- a phrasal verbs database, with definitions and example sentences
- a phrases and collocations database
- a word patterns database
- a word formation database
- a guide to the major differences in vocabulary and spelling between US English and UK English
