# Introduction

*Oxford Grammar for Schools* helps students develop a detailed understanding of grammar form and use in context, and inspires them to have fun with English through personalized activities, games and role play. The grammar is introduced or revised through easy-to-read tables and illustrated presentations with clear examples, all of which are level-appropriate. The exercises build from controlled activities up to more communicative and productive skills-based activities. In each unit there are several speaking activities where students work with each other to use English with improved accuracy and confidence. The extended writing activities also encourage students to use language in realistic situations.

Each unit begins with a 'Can do' statement, which summarizes what students will be able to achieve on completion of the unit. At the end of each unit is a self-evaluation table. Students should be encouraged to rate their progress in each exercise, which helps them to take responsibility for their own learning and also increases motivation.

At the end of the book there are nine pages of extra information for the information gap activities, a reference section containing form tables, and an irregular verb list.

Students can use the *Oxford Grammar for Schools* series in class with any coursebook to support and reinforce their grammar study. The Teacher's Book includes all the answers and audio scripts. There are also photocopiable tests for every Student's Book unit, and two review tests which can be used at the end of school terms or at any other appropriate time.

## Student's DVD-ROM

The Student's DVD-ROM includes all the exercises in the Student's Book, as well as all the audio recordings for the listening and pronunciation activities. Students can access extra scored interactive activities, giving them motivating additional practice for homework. These can be printed. The teacher can also use the DVD-ROM on an interactive whiteboard in class.

## Key to the symbols

 0.0 (= 0.0 track number)	Listening activity
	Speaking activity
	Game
	Extended writing activity
	Pronunciation activity
	Introductory exercise
	Moderately challenging exercise
	Most challenging exercise

A difficulty rating is given to each exercise. The scale of difficulty is relative to each unit, so there are exercises with one, two, and three stars in every unit.

# Contents

1	Countable and uncountable nouns; articles	Countable and uncountable nouns Articles: <b>a/an/some/any/the/no</b> article	6
2	Quantifiers	( <b>Not</b> ) <b>much</b> , ( <b>not</b> ) <b>many</b> , <b>several</b> , <b>lots</b> , <b>a lot of</b> , ( <b>a</b> ) <b>few</b> , ( <b>a</b> ) <b>little</b> <b>Too much</b> , <b>too many</b> , ( <b>not</b> ) <b>enough</b>	11
3	Pronouns	Reflexive and emphatic pronouns: <b>myself</b> , etc. Indefinite pronouns: <b>someone</b> , <b>everywhere</b> , etc.	16
<b>Revision 1 Units 1–3</b>			<b>21</b>
